

Writing Practice - Correcting Mistakes

1. Read the text and try to find the 13 mistakes:

Strange Night

It was a strange night, there seemed to be a chill in the air. I decided to make a delicious vegetable soup, my mom's recipe, but when I tried to turn in my oven, I noticed that the gas had been cut off, it was very strange however I didn't pay any attention to it.

I was in living room and choosing what film that I would like to watch, when I felt a bit cold. I went up at the attic to turn in my heater, but it didn't work. What was it happening?

When I went back down, I saw my phone's line had been cut off. I decided took my cellphone and rang up to my neighbor Mr. Paul, a known police officer that area. He picked up and looked to me through the window and said slowly: "Don't move".

Suddenly, I heard a loud noise that sounded like a gun firing, and it was! Mr. Paul had shot Manny Buffalo, a wanted robber.

I was relieved that nightmare was over, on the other hand I wondered, what Manny Buffalo want from me? Nobody will never know.
