

Name _____

Fill in story

Change the verbs into past simple to complete the story:

Once there was_{is} a princess who lived_{live} up in a castle by herself. Her dad locked_{lock} her up in the castle and told_{tell} her that she could_{can} only come out when she found_{find} a husband.

The princess didn't_{do not} want to get married so she thought_{think} of a very clever way to run away.

Every day, a new prince came_{come} to see her and every day she said_{say} she was busy. Secretly, she wrote_{write} letters to all of the other princesses asking for help.

One day, all of the princesses walked_{walk} down to the castle and helped_{help} the princess open the door.

They all ran_{run} away together and started_{start} a business. Now they have more money than the king!
