

## Teacher's Sheet

Teacher's Directions: Read the sentences from the Direct Speech column. Students will mark the Reported Speech on their Bingo Cards. Make sure to mark which sentences you've already said to make it easier to check students' Bingo cards.

When a student calls "Bingo!", use your Teacher's Sheet to make sure they've marked the correct Reported Speech.

*\*Please note that number 13 and 14 can both be marked for "They did it."*
