chair	orange	Earth	milk
boy	animal	United Arab Emirates	chocolate
job			chicken
			love
			math
			Spanish

TONY FROM MEXICO
Correct the mistakes.

Tony is **a** boy from **X** Mexico and he speaks Spanish. His mother is from **the** United States, but his father is from **X** Tokyo. His parents moved to Mexico before he was born because his dad got **a** job in **an** office in Mexico City.

Tony loves living in Mexico because he loves **the** sun and his city is usually very hot and sunny. He lives in **an** apartment with lots of windows, so he likes to look outside while he studies math. He also loves Mexico for the food. His favorite food is **X** chicken with mole (a Mexican sauce). Tony also loves to mix **X** chocolate, **X** milk, and cinnamon to make **a** very delicious drink.

But most importantly of all, Tony is **a** happy boy because he loves his family. Even if they all lived on the other side of **the** Earth together, Tony would still be happy because **X** love is more important than where you live.
