Hello everyone, Welcome back to Oscar Lessons - English Listening Practice. Today's lesson is for beginners. Let's go explore the park.

Today we're at a local park **in** Taiwan. Let's take a look around.

**In** this park there are paths you can walk **on** and enjoy some exercise.

It is way too hot **in** the sun here, so it's better to stay **in** the shade **under** the trees.

There are a lot of beautiful trees **in** this park.

There is a small children's play area. Kids can go **on** the monkey bars. Kids can also walk **on** the balance beam.

There are streets all **around** the park, but most of them are quiet.

There's only one noisy street **on** one side of the park.

**In** Taiwan they have rental bikes everywhere. You can rent these bikes **in** most parks.

There's also a lot of nature **in** the park, such as the fish and birds **in** the river.

"Woah! Look at this fish!"

You can also see exercise equipment for adults. Oscar wants to do a pull-up **on** these bars. Can he do it?

What do you like to do **in** the park? Do you like to walk **on** the paths? Do you like to **take in** the nature or **soak up** the sun?

I hope you enjoyed this quick tour around a Taiwanese park, and had fun practicing your English listening. See you next time on Oscar lessons!
