## ANSWERS - Hidden Message - Past Participle

**Complete the story with present perfect grammar and solve the hidden message at the bottom.**

### The Job Hunt

Lisa has looked everywhere for a new job. She's gone to many businesses and met many managers. Her friends have been very helpful and they've spoken to everyone they know about getting Lisa a job. She's interviewed at a swimming pool, a restaurant, and a cafe, but Lisa hasn't loved any of the jobs. She just hasn't found anything suitable. Even though it's been hard, she hasn't given up yet because she has really believed in herself. Finally, she found a job opening at a mirror factory. The boss has already offered her the position. Lisa was so excited, she said, "I can really..."

**Use the highlighted letters to complete the message.**

“...see myself doing this job.”
