

Introduction to GEPT Speaking Format - GEPT Speaking Test Practice

Note to Students: The elementary GEPT test does not have activity 4, but the intermediate GEPT speaking test does.

Activity 1: Read the following outloud.

Mike was born January 21, 1989, so he is very excited because his birthday is soon. He will spend his birthday in Taipei, but to get to Taipei, he must catch bus 405. Mike goes to the bus station, but when he arrives, he sees only bus 206, not 405. He asks the bus attendant, but the worker doesn't know where bus 405 is. The bus attendant asks to see Mike's ticket. The bus attendant starts laughing when he sees the ticket. Mike's ticket is for train 405, not bus 405.
